

Host

Design by Simon Pengelly

Host is a standalone table for use as a laptop support or work surface and is proportioned accordingly, with a weighted stable base and elegant column. A convenient hand grip to the underside of

the edge together with side slides under the base plate allows the user to easily glide the table closer.

HLT2

Design Simon Pengelly

British Designer Simon Pengelly founded London based Pengelly Design in 1993 after working for the Conran Design Group and the in-house design team of Habitat. Pengelly Design Ltd now collaborates

globally with the most progressive design-led companies working within the realm of transport and product design, lighting and interior design in addition to furniture design.
