

Axyl Bench

Design by Benjamin Hubert | LAYER

Axyl is a seating collection offering a sophisticated combination of recognizable elements. Comprising of an arm chair, bench, and stool. Axyl utilizes a strong

geometric design language that is entirely original yet draws on familiar references to create a range of highly functional seating.

Design

Design by Benjamin Hubert | LAYER

Benjamin Hubert is an award-winning British design entrepreneur, and founder of creative agency, LAYER. LAYER is focused on experience-driven design for both the physical and digital worlds. Led by Benjamin and a growing creative team,

LAYER is partnering with forward-thinking brands – including Nike, Pepsi, BMW, Samsung and Braun – to create products that will help define the way we live, work and communicate in the future.
