

Oran

Designed to complement the soft appearance of the modular sofa system, the Oran table collection works well in both workplace and hospitality environments. The range includes a variety of top sizes to choose from, all carried by a minimal

powder coated Aluminum frame and cast Aluminum corner leg, when used in combination with the seating units the system allows the creation of an infinite number of configurations.

Design Mark Gabbertas

Mark Gabbertas is a furniture designer with a different perspective. After ten years in advertising, he trained and worked as a cabinet maker, before establishing the Gabbertas Studio in 2001. The intent is

to create character through simplicity via the rigorous pursuit of designs that have both an elegance and a lasting aesthetic... it is all too easy to shock, but much more difficult to please.
