

Plum

Design by Mark Gabbertas

Plum is a universal lounge chair with an exceptionally comfortable upright sit. The characterful collection is based on a series of ultra-soft pillow like structures that allow the internal structure of the chair to be hidden.

Plum is as much at home in a hotel bedroom as it is in an office lobby or informal meeting area.

Design Mark Gabbertas

Mark Gabbertas is a furniture designer with a different perspective. After ten years in advertising, he trained and worked as a cabinet maker, before establishing the Gabbertas Studio in 2001. The intent is

to create character through simplicity via the rigorous pursuit of designs that have both an elegance and a lasting aesthetic... it is all too easy to shock, but much more difficult to please.

Standard Features
